School Description

Breen Elementary School opened in August 1994 and is one of seventeen schools in the Rocklin Unified School District. It serves students in kindergarten through 6th grade, with an enrollment of approximately 520 students. Breen is located in the center of Stanford Ranch, a dynamic and supportive community. The staff at Breen provides an exemplary learning environment that is positive and nurturing with very high academic and behavioral standards. Our primary core belief is that all children can learn at high levels.

Parent participation is appreciated and strongly encouraged at Breen. We're fortunate to have hundreds of parent volunteers that work to improve the academic and social programs at the school. Parents also actively participate with the School Site Council and Parent Teacher Club. Parents and staff are dedicated to creating a safe learning environment in which students interact positively with each other and reach their academic potential. Breen's Positive Behavior Intervention and Supports (PBIS) Program has enhanced this atmosphere and stresses positive relationships. Our Bobcat Awards reward program encourages students to be people of high character. Breen Elementary was awarded the Silver Level by the California PBIS Coalition for their implementation of PBIS.

Classroom activities are designed to accommodate the variety of ways in which children learn best -- using all their senses while being actively engaged. Full time P.E. and VAPA (visual and performing arts) teachers provide students with standards-based P.E. and arts curriculum. Breen's facilities are also used in the afternoon, evening, and weekends by members of our community for such activities as basketball, soccer, boy/girl scouts, etc. Breen was selected as a California Distinguished School in 2002 and 2008.

Mission Statement

The mission of Breen Elementary, a dynamic educational and nurturing school community, is to inspire our students to achieve their academic potential, to ignite a passion for life-long learning and to become responsible, well-rounded citizens by:

- 1) fostering a collaborative environment where each student's unique potential is recognized, cultivated, and celebrated.
- 2) developing a culture where innovation is paramount.
- 3) creating strategic partnerships between the school, community and its families.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Breen was built in 1994 and is aesthetically pleasing and very well maintained facility. The staff takes pride in providing an excellent environment for student learning. Anyone visiting the campus must wear an I.D. badge to ensure the safety of our students. Supervision is offered prior to school, during the day at recesses and lunch, and after school. District-wide safety checks at all facilities occur on an ongoing, scheduled basis. Fire department inspections are also scheduled each year. Monthly fire drills are conducted, as are bi-monthly "lock-down" drills. A yearly off-campus evacuation drill is also done in which all students and staff evacuate to Breen Park.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: July, 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	Replace water stained ceiling tiles
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good

Safety: Fire Safety, Hazardous Materials	Good	Replace safety glass on Fire Extinguisher cabinet
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Grind down tripping hazard at ramp entry and on walkway.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	57.0	60.0	70.0	71.0	48.0	50.0
Math	65.0	62.0	62.0	63.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	6.2	29.9	61.9

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parental involvement is strongly appreciated and encouraged at Breen. Parents may choose to volunteer by supporting in classrooms, by tending to the Garden of Learning, by chaperoning on field trips, by leading art projects with the Art Docent Program, or by teaching after school enrichment classes. Our Parent-Teacher Club is very active and supports the school through fundraisers and a variety of activities. In addition, parents represent at least 50% of our School Site Council which meets at least three times a year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

All schools in the district have a comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, discipline rules and procedures, dress code, policies regarding suspension/expulsion, sexual harassment policy, procedures for ingress and egress. It includes an action plan for the implementation of the plan.

Safe School Vision Statement: Our goal is to maintain a safe and nurturing school for children, staff, and our community by developing skills and strategies that promote the three R's of respect, responsibility, and resolving our differences peacefully. The Safe School Committee has been responsible for assessing and implementing procedures that promote student safety. The Safe School Plan focuses on increasing student and staff awareness of bullying behaviors and strategies to deal with bullying, and opportunities to consistently reinforce procedures, school rules, and recognize positive student behaviors. We review safety issues regarding crisis response, implementing drills at recess, and planning for a school wide evacuation drill. Last review/update and discussion with staff: January 2018.

Professional Development provided for Teachers

The Rocklin Unified School District is committed to high quality professional development that meets the needs of the staff aligned to the established Rocklin Unified Strategic Plan. The focus of our Professional Development is the following: a continuous development and commitment to Multi-Tiered System of Support; a commitment to research-based effective instructional practices and intervention strategies; also ensuring that all students are provided the necessary skills and prerequisites to meet post-secondary goals; and to ensure all students meet College and Career Readiness Standards.

Rocklin Unified School District provides 3 days of staff development annually to staff and have done this for the past three years:

- 2016/17 - 3
- 2017/18 - 3
- 2018/19 - 3

Types of Services Funded

Special Education, LCAP Supplemental, Title I, transportation, instructional materials, staff development, intervention classes, core K-12 classes, Gifted and Talented Education (GATE) & Career Technical Education (CTE).

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
