Principal's Message

Hello Breen Families,

Happy New Year! I hope you had a joyful and restful end to 2017. The Palmers were able to get away for a few days for some skiing in Tahoe. The weather was amazing...and the skiing was a bit early for the season. It's hard to complain when you are in a beautiful place with family to enjoy. We are looking forward to seeing your little ones tomorrow and can't wait to get 2018 started at Breen. We will have our Winter Enrichment Program schedule out in the next couple of days. There is still time to run one of our clubs if you are interested. Please see the information below if you are interested.

Have a great week,
Mrs. Palmer
