Dear Parents and Students:

Welcome to Breen Elementary! Breen is located near Rocklin High School in the beautiful Stanford Ranch planned community. We opened in late August 1994 with only 177 students, but soon grew to our current student population of over 600 students. We're proud to have been chosen as a California Distinguished School in 2008. In addition, we feature a manicured campus, music and visual and performing arts programs, a comprehensive computer lab, and a library boasting more than 13,000 selections.

I would like to invite you to become a partner with us in your child's education. We encourage your participation and involvement in many different ways...from working directly in the classroom with individual or small groups of children to assisting with the Garden of Learning, student council, field trips, and numerous other programs.

Breen staff takes much pride in the academic achievement of students but also has a real interest in teaching to the needs of the whole child. We fully embrace our mission statement:

Breen Strategic Plan 2015-2020

Mission Statement: The mission of Breen Elementary, a dynamic educational and nurturingschool community, is to inspire our students to achieve their academic potential, to ignite apassion for life-long learning and to become responsible, well-rounded citizens by

- fostering a collaborative environment where each student's unique potential is
- recognized, cultivated and celebrated
- developing a culture where innovation is paramount
- creating strategic partnerships between the school, community and its families

Our hope is that you and your child will find Breen to be a positive and nurturing environment which reflects the belief that every child can learn at a high level. Teachers use a variety of teaching practices to accommodate the specific learning needs of all children. Students are empowered and supported in accepting an active role in their own learning. Children are encouraged to meet and conquer new challenges which will allow them to grow as human beings. Adults are motivated to support and affirm the students' efforts as they undertake these challenges.

The following pages include information that will help you learn more about Breen Elementary School and will address many of your questions about the general operation of the school. On behalf of the entire staff, we look forward you and your child becoming a part of the Breen learning community

Sincerely,

Chuck Thibideau

Principal

ON THE NEXT PAGE OF THIS HANDBOOK YOU WILL FIND A SIGNATURE SHEET THAT NEEDS TO BE RETURNED TO YOUR CHILD'S TEACHER.

ATTENDANCE INFORMATION

Absences – Daily school attendance is essential for student success. By law, parents are required to send their child to school daily. **Parents are strongly encouraged to schedule medical appointments during non-school hours.** Whenever possible, a student who is absent for a reason other than illness should attend at least part of the school day.

When students are absent from school, it is important that their absences be cleared on their first day back to school. If the student does not have a note, it will be necessary to call the parent at home or at work in order to clear the absence. Any absence not cleared within 5 days will be marked as truant. According to California law, there are **NO** legally recognized absences. A student may be excused from school for justifiable personal reasons, including but not limited to illness or injury, medical or dental appointments, bereavement, funeral/memorial services, court appearances, or religious holidays, or an employment conference, when the student's absence has been requested in writing by the parent/guardian and approved by the principal or designee. A student shall be excused when he/she is the custodial parent of a student who is ill or has a medical appointment during school hours.

Parents will be asked to conference about continual non-illness absences and to improve their child's attendance. Failure to do so may result in a referral of the student and parent to the Rocklin Unified School District Attendance Review Board for further action.

Missed Work - A student absent from school shall be allowed to complete all assignments and tests missed during the absence which can be reasonably provided and, upon satisfactory completion, shall be given full credit. The teacher of any class from which a student is absent shall determine what assignments the student shall make up and what period of time the student shall complete such assignments. The tests and assignments shall be reasonably equivalent.

Request for Homework – If your child is ill two days or more, parents may request homework. Call the office at least one day before the day you wish to pick up the assignments. The teacher(s) will have the work ready to pick up in the office after school or the next day.

Notes from Parents – Please use **both the first and last name** on all correspondence from home. This is especially important when the parent and the student do not have the same last name.

Notes are still required to satisfy the compulsory education law. Please call the school to report an absence or leave a message. Please state your child's first and last name, reason for absence, and dates of the absence.

Tardies – An emphasis is placed on students arriving to school on time. Late students often miss the focus of the day or lesson and disrupt the flow of the lesson for other students. When students are late for school, please check into the office before going to class. Parents will be notified if a student has continual tardies and will be asked to follow through with a program to increase punctuality. Repeated tardiness can be grounds for revocation of intra or inter district transfer requests. Repeated tardies may result in a referral of the student and parent to the Rocklin Unified School District Attendance Review Board for further action.

Independent Study – When a student knows he will be away from school **for at least 5 days**, the school can assign work through an Independent Study Program. If the work is completed and the Independent Study Contract is fulfilled, the student will receive credit for being in school. Parents must inform the office at least one week in advance to receive their child's work unless it is an emergency.

Appointments – If your child needs to leave school for an appointment, please send a note with the student in the morning. Sign your child out at the school office before taking him/her out of class.

PARENT COMMUNICATION / PARTICIPATION

SchoolMessenger

Our school messaging system will be used to send important information via telephone and/ or email. If you would like to make any changes to your contact information, please contact the school office.

School Website

Please check out our school website at bes.rocklin.k12.ca.us for important school information. Don't forget to check the Virtual Backpack also located on the website. Fliers will be posted at this location. Hard copies will also be available in the office.

School Newsletter

Breen publishes a newsletter, "The Bobcat Bulletin," once per month. It contains pertinent information that arises during the year. Please take time to read our newsletter with your children since some of the information may apply directly to them. We take great pride in the amount of effort that goes into our newsletter and appreciate your suggestions for improving its effectiveness. It will be posted on our school website and hard copies will be available in the office.

School Visitations / Visitor Registration – (Reference Board Policy/ Administrative Regulation 1250)

The Board of Trustees encourages parents/guardians and interested members of the community to visit the schools and view the educational program. To ensure minimum interruption of the instructional program, visits during school hours should be first arranged with the teacher and principal or designee. If a conference is desired, an appointment should be arranged with the teacher during non-instructional time.

To ensure the safety of the students and staff and avoid potential disruptions, all visitors shall register in the school administration office immediately upon entering any school building or grounds when school is in session.

For purposes of school safety and security, the school may design a visible means of identification for visitors while on the school premises.

No electronic listening or recording device may be used by students or visitors in a classroom without the teacher and principal's permission (Education Code 51512).

Parent/ Teacher Conferences – Parent/teacher conferences are scheduled twice during the year for all students.

In the fall they are held at the end of the first trimester and again in the spring at the end of the second trimester. The Rocklin Unified School District schedules minimum days during conference week so teachers may have sufficient time to meet with the parents. The average length of a conference is 20 minutes and involves reporting progress and creating goals for students. Parents and teachers are encouraged to set up additional conferences as the need arises during the year.

Student Records – The Rocklin Unified School District maintains cumulative records for each student as required by law, and any additional records that would be helpful in providing maximum educational opportunities for students. These records are available for parents to review. Please call the school office to set up an appointment with the principal to review your child's cumulative record.

Complaint Procedures – The school follows the procedures outlined below to address parent concerns and complaints. Please use the following steps if you have a concern:

1. Classroom concerns should first be brought to the attention of your child's teacher. Please call the teacher to explain your concern. Small concerns may be addressed by a phone call; larger concerns are better addressed in a conference.
2. If the classroom concern is not satisfactorily addressed with the teacher or the concern is a school level concern, please call the school administrator. Small concerns may be addressed by a phone call; larger concerns are better addressed in a conference.
3. If the concern is not satisfactorily addressed with the school administrator, the parent may schedule a meeting with a district representative.

The District assures that students, employees, parents or guardians of its students, school and district advisory committees will not be discriminated against. Unlawful discrimination complaints may be filed using the Uniform Complaint Procedure. A brief description is in the appendix of this handbook. A copy of the procedure is available at the District Office from the Human Resources Department.

Volunteers

Our school always welcomes parent volunteers. However, for the welfare of our students, volunteers are required to have fingerprints and a current TB test on file. Please contact the school office for more information in this regard.

There are a number of ways parents at Breen are encouraged to be involved in their children's education.

- Always encourage your child's many efforts at school.
- Attend all school events and functions, demonstrating that your child's education is important to you.
- Join the Parent Teacher Club (PTC), a parent organization which supports the school in many ways through their fund-raising efforts and activities. Organizational meetings are held monthly in the library. Dates are published in our newsletters. All parents are invited and encouraged to attend these meetings.
- School Site Council. An advisory council for our school consists of four elected staff members and five elected parents. The SSC takes an active role in establishing goals and objectives for the school, as well as keeping current on curricular changes. They, like the PTC, are an important link between staff and parents. All parents are encouraged to attend site council monthly meetings held tri-annually in our library. Dates are published in our newsletter.

The staff at Breen always welcomes parent volunteers. With your help and dedication, our students thrive in a caring, encouraging atmosphere. For the safety of all our students, please don't forget to check in at the office and always wear a volunteer badge while on campus.

Parent volunteers are also reminded of the importance of honoring confidentiality and sensitive situations as well as equal treatment of all students.

For safety reasons preschool children accompanying their parents to school to complete workroom task cannot be allowed in our workroom. Your preschooler is welcome to sit at the front of the office and read a book while you are working in the workroom. Thanks for your cooperation!

SAFETY

Student Safety (Reference Board Policy/Administrative Regulation 5142) – The Board of Trustees places high priority on safety and on the prevention of student injury. Principals and staff are responsible for the conduct and safety of students from the time they come under school supervision until they leave school supervision, whether on school premises or not. The Superintendent or designee shall establish regulations and procedures as necessary to protect students from dangerous situations.

The Superintendent or designee shall ensure that teachers, teacher aides, yard aides, and volunteers who supervise students receiving training in safety practices and in supervisory techniques which will help them to forestall problems and resolve conflicts.

The following visitor regulations shall be in place at each school site:

- All visitors, including parents, must sign in at the office.
- All unknown visitors will show proof of identity.
- Uniform identification badges will be used throughout the district.
- Picture identification badges will be used by District employees who visit campuses (i.e. superintendents, maintenance, and transportation/cafeteria supervisors).
- A “buddy system” will be in effect for grades K-3; students will have a companion when leaving the classroom (this is recommended for students in grades 4-6, but is not mandatory).

Emergency Cards – Student emergency cards must be kept current. If a student becomes ill or is injured at school, we must have a phone number where we can reach the parent, guardian, or a designated substitute. Your child will not be released to an adult unless the adult is on the emergency card.

Accidents – If a serious injury occurs on the school grounds or on the bus, parents will be notified and asked to pick up the child for their own observation or examination by their family physician. Parents will be promptly notified of all injuries not considered minor. It is critical that parents/guardians keep the emergency card up to date. If the accident is serious the school will call 911 and notify the parents immediately.

Emergency Situations – The Rocklin Unified School District has plans and preparations for major emergency situations. Our staff has been trained and drills are held regularly to make certain that the students understand emergency procedures.

Please inform your children that they are as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind and inspections are made regularly to remove possible hazards. Personnel are trained in first aid. Our primary concern in the event of an emergency is the safety and welfare of the students.

Please instruct your children to obey the directions of their teachers and follow the directions of the bus driver if they are on the bus. If walking or riding a bicycle, your child should continue toward their destination when an emergency situation develops.

Your cooperation is asked in any emergency:

- Please avoid calling the school. Telephone lines will be needed for emergency situations.
- Please avoid driving to school. Streets should be as open as possible for emergency vehicles.
- Turn your radio to any of the local Placer/Sacramento County radio stations. Information and instructions for picking up students during or after an emergency will be given over the radio. AM – KAH1 95, KFBK 1530; FM – KHYL 101, KAER 92.5.

- In the event your child's school must be evacuated, your child will be transported to another school. The school of choice will be determined by the nature of the emergency. Specific information will be broadcast on the local radio stations listed above.
- The school will utilize a mass calling system to update you with key information regarding the situation.

Office Telephone – The office telephone is for **emergency** use only. Please make after school arrangements with your child in advance. Office staff are not permitted to interrupt classroom instruction to relay messages to students. Emergency situations should be communicated to the principal and necessary actions will be taken to ensure appropriate communication occurs.

Safety Drills – In accordance with state law, an emergency evacuation is conducted every month. Students are expected to respond quickly and safely as directed by their teacher. If you are in your child's classroom during a fire drill or a lock-down drill, please stay with your child until the drill is over.

Safe Arrival and Departures – The Rocklin Police Department and our school officials work closely to plan for the safe arrival and departure of students. We are asking for your support and help in the safe loading and unloading of children.

- Assist us in teaching your child to use the crosswalks when coming to school and leaving school.
- Do not stop your vehicle in the crosswalk or in front of the driveway to deliver or pick up your child. California State law prohibits stopping in a designated crosswalk. This constitutes a moving violation.
- Teach your child to walk, not run, in the crosswalk.
- Do not leave your vehicle unattended in the loading and unloading zones.
- The bus lane is for buses only. Do not use it for drop off or pick up.

PLEASE ADVISE ANY DRIVER WHO MAY TRANSPORT YOUR CHILD OF THESE REGULATIONS.

Dogs on Campus – Due to health reasons, dogs are prohibited from being on the school campus during, before, or after school hours. The only exception is when a pet is part of an arranged presentation. In that situation, the pet must arrive shortly before the scheduled time and be removed immediately after the presentation ends.

CAFETERIA

Lunch / National School Lunch Program - A quality, nutritionally balanced hot lunch is available in the cafeteria daily. Menus are sent home with the student at the beginning of each month or can be viewed on the school web site. One entrée or a choice between two entrees which include a protein and a bread/grain serving is offered along with a selection of vegetables and fruits. Students must choose at least three out of the five components offered to meet the standards for a healthy meal. One percent milk or one percent chocolate milk is also provided with the hot lunch.

Milk is also available for \$.50 for students who bring lunches from home. Items and prices are subject to change.

Applications for the free and reduced-priced meals are mailed to each family prior to the beginning of the school year. They are also available at the school office any time throughout the year, or by phone request at the Food Service main office at 624-1112. Applications may be submitted at any time during the school day, or mailed to

Rocklin Unified Food Service Dept.
4090 Del Mar Ave. Suite A
Rocklin, CA 95765

The applications will be processed in a timely manner but until an eligibility determination is made and a letter is sent to the parent/guardians, the student is required to pay full price. Children participating in the National School Lunch Program will not be overtly identified by the use of any special means.

Lunch prices: Regular \$2.75 / Reduced \$.40 / Free \$.00 / Adults \$3.25

All students have a lunch account which is accessed by telling the cashier their name. Lunches are served on a pre-paid basis and parent/guardians may purchase any number of lunches in advance at the front office before or after school daily. **In the event of forgotten lunch money, students may charge no more than two lunches to their account before payment to bring the account current is expected.** Parents will be contacted when their child has had to charge a lunch and payment must be received the next day. Students may also bring lunches from home and purchase milk for 50 cents.

Lunches from Home and Snacks - We strongly urge parents to incorporate healthy food choices in packed lunches from home. Please save any candy or sodas to be consumed after school at home.

TRANSPORTATION

Bus Transportation - Applications for bus passes may be downloaded from the District webpage or requested from the Transportation Office (624-9106).

2225 Corp Yard Rd. (next door to UPS, off of Sierra Meadows Drive).
Rocklin, CA 95677

If a student is going home on a different bus, parents must send a note to school stating their approval, bus number, and stop. Buses at full capacity may deny students who do not regularly ride that bus. Temporary bus passes may be purchased at the school office.

Thomas Edward Lanni School Bus Safety Act of 1997 (AB1297)

Prior to the passage of AB1297, school bus drivers were required to activate a buses red flashing signal lights and the stop signal arm only when a student the bus had been carrying was about to cross a public or private roadway. After January 1, 1998, the red flashing signal lights and stop signal arm are required to be operated every time the bus stops for the purpose of loading or unloading students, even if the student does not intend to cross the road.

Vehicle Code 22454 states that the driver of any vehicle, upon meeting or overtaking, from either direction, any school bus displaying a flashing red light signal and stop signal arm, that is stopped for the purpose of loading or unloading students, shall bring the vehicle to a stop immediately before passing the school bus and shall not proceed past the school bus until the flashing red light signal and stop arm signal arm cease operation.

HEALTH SERVICES

Health Office Information - The school health office is staffed by a part-time health aide. Please refer to the Annual Parents' Rights Notice for a complete description of pupil health, safety, and medical treatment information. The school health office provides temporary care to students who are sick at school, until the parent can be contacted to pick up the student. Students will only be released to persons listed on the Emergency Card and 911 will be called if the situation could be life-threatening.

Medications (Reference Board Policy 5141.21) - The school health office also supervises students who are required to take medication during the school day. A written authorization from the student's physician and parent or guardian is required before designated school staff can assist the student in taking any medication, whether prescribed by the physician or over-the-counter (Aspirin, Motrin, cough drops, etc.) These medication forms are available in the school office.

Any medications that will be stored in the Health Office must be signed in by a parent/guardian and staff member. The Health Aide/staff member will verify the medication against the physician's orders, noting the medication's expiration date, quantity, and form (liquid, pills inhaler, nasal spray, eye drops, etc.)

All medication must be in the original container and placed under lock and key in the health office in the administration building for the safety of all students. **Students are not allowed to carry any form of medication (prescription or over-the counter) at any time while on campus** except those medications that a physician requests the pupil be allowed to carry (e.g., inhalant for asthma, Auto-injector Epi-Pen for severe allergies). When on a field trip, the medications shall be monitored by and in possession of a teacher at all times.

Prior to the beginning of school, please notify the school health office in writing of any chronic health issues such as heart problems, diabetes, severe allergies, hearing loss, vision/glasses, chronic pain, asthma, seizure disorders, etc. This enables the school to communicate the necessary accommodations to appropriate staff to ensure that student health needs and safety are cared for.

Health Screening - California schools must conduct vision and hearing screening on all students upon school entry and every third year through eighth grade. (California Code of Regulations, Title 17, Section 2952 (c)(1)). Hearing screening in California public schools must be conducted by a credentialed school audiometrist. Rocklin USD screens all students for hearing in kindergarten/first grade and in second, fifth, eighth, and upon first school entry. Screening for vision is done in kindergarten, third, fifth, and eighth grades. Vision, hearing, and other mandated health screenings are overseen by the school nurse at specific grade levels, for all new students to the District, annually for special education students, or upon teacher or parent request. A screening service (not requiring parent permission) is provided by the Language, Speech, and Hearing Specialist in the areas of articulation and language at specific grade levels or upon teacher/parent request.

Immunizations – Under the California School Immunization Law (California Health and Safety Code, Sections 120325-120375), children are required to receive certain immunizations in order to attend public and private elementary and secondary schools, child care centers, family day care homes, nursery schools, day nurseries and developmental centers.

The California School Immunization Law also requires schools, child care centers, and family child care homes to enforce immunization requirements, maintain immunization records of all children enrolled, and submit reports to the local health department. Starting in 2014, a new California law will modify the process for obtaining exemptions to student immunizations based on personal beliefs. Assembly Bill (AB) 2109 requires documentation that health care practitioners have informed parents about vaccines and diseases.

ACADEMIC INFORMATION

Smarter Balanced Assessments – Each spring students in grades 3 through 6 take the Smarter Balanced Assessment which is aligned to the California Common Core State Standards. Results are sent home with students within 3 weeks of receiving them from the state.

Homework - Homework should be an extension or independent practice of what was learned in school. Students are expected to complete and hand in homework when assigned. (See the attendance section for requesting homework after or during an absence.)

Standards Based Grading – Instruction is focused around the standards identified for each subject in each grade level. Students are provided with information about how their work will be evaluated and how their level of proficiency will be determined. Teachers modify instruction to meet a wide variety of learning styles and levels of ability.

A student's progress is summarized every trimester on a standards based report card. The report card will indicate the status of your child's work based on mastery of skills for each trimester. (See the brochure "Standards Based Education: A Commitment to Excellence" available from your school office.)

Promotion / Retention Information (Reference Board Policy/Administrative Regulation 5123) - The purpose of retaining students is to provide additional opportunities for a student to learn grade level skills. Legislation (AB1639) requires that all school districts establish a promotion and retention policy. AB1639 also requires school districts to offer supplemental instruction to students with low reading, writing, or math achievement.

Students are required to demonstrate that they have mastered grade level expectations in order to be promoted to the next grade. Grade level expectations are based on the following:

- Scores on achievement tests
- Teacher evaluation of student's abilities and effort
- Student's motivation level
- Proficiency assessments
- Parental involvement and family commitment to supporting the student's academic achievement
- Attendance

When a student is identified as being at risk for retention or recommended for retention, the school shall provide opportunities for remedial instruction to assist the student in overcoming the academic deficiencies. Such opportunities may include, but are not limited to, tutorial programs, after-school programs, summer school programs, Saturday school, and/or the establishment of a student study team.

The Superintendent or designee shall communicate in the strongest terms possible, the urgency of the student attending the recommended remedial instruction and learning the necessary skills. To fail to do so shall severely jeopardize the student's opportunity to be promoted.

If a student is identified as performing below the minimum standard for promotion, the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement.

If the teacher's recommendation to promote is contingent on the student's participation in a summer school or interim session remediation program, the student's academic performance shall be reassessed at the end of the remediation program, and the decision to retain or promote the student shall be reevaluated at that time.

Teacher Training / Planning Time - The District schedules one hour every Monday afternoon for articulation in grades K-12.

Teachers will utilize K-12 articulation days to receive specialized training in a variety of instructional practices including reading recovery, differentiated instruction, guided reading/writing, assessments, and mathematics. District-wide in-services are organized to allow our teachers adequate time to plan curriculum and align our instructional program with state mandates. Additionally, teachers will be able to share what is working well in their classrooms with their colleagues to improve student achievement for all our children. If you have any questions, please contact your child's school.

Student Success Team - The Student Success Team is a school-site team, which identifies effective strategies to meet the needs of individual students who are not progressing due to academic, behavioral, medical or other concerns. The Student Success Team process is a collaborative process between the school and the parents on behalf of the student. The parent, teacher or other staff may make requests for assistance to the Student Success Team through the school; student success team coordinator or the principal. The Student Success Team meeting will include the parent, the student (if appropriate), the student's teacher, administrator, team coordinator, general education teachers and other support staff as needed.

Special Resources - A variety of special resources and programs are provided for students with unique needs. To qualify for programs, students need to be referred through a meeting of the Student Success Team or demonstrate unique needs on assessments. These programs include:

1. **Special Education:** The district strives to provide an educational program to meet the needs of all school-aged children within the district. The district provides special education services described in Education Code (56000-56001). A student shall be referred for special educational instruction only after the resources of the regular education program have been considered and/or modified. If a student is referred to special education, parents will receive a notification of rights and an explanation of proposed assessments. Following assessments, a report of findings will be written and an IEP team will meet with the parent to develop an Individualized Education Plan. This plan and the student's progress based on the plan will be reviewed with the parent/guardian at least annually. Special education programs include the Special Day Class, Resource Specialist Program, and speech and language services.
2. **Speech and Language:** The speech-language program in the Rocklin Unified School District serves students from three years of age through twelfth grade. Students may be referred to the speech-language pathologist at their school for a speech-language screening by their teacher, parent, and the student study team or other concerned individuals. Students who qualify for the speech-language program may be served in a variety of ways. Students may attend individual or small group sessions, or be served in the regular classroom.
3. **Psychologist:** Psychological services are available to the school as the need arises throughout the year. A psychologist is available on a limited basis for testing children and working with parents and teachers.

4. **English Language Development:** Students who are non-native English speakers are assessed to identify their level of fluency in English. Students who are not fully fluent in English participate in the English Language Development program to increase their English fluency and vocabulary. Teachers use specific instructional strategies to help students learn the curriculum while learning English.
5. **Intervention Classes:** This program helps students who are below standard in reading. Small group instruction may be provided as an extension to the regular school day or occur during the school day.

Special Programs -

1. **Visual and Performing Arts (VAPA):** RUSD provides a balanced curriculum, with arts as part of the core for all students, kindergarten through grade 12. Programs and curriculum incorporate the following four components in alignment with the California State Framework for Visual and Performing Arts: Dance, Music, Theater, and the Visual Arts. The components of the arts education are: (1) Artistic Perception, (2) Creative Expression, (3) Historical and Cultural Context, and (4) Aesthetic Valuing.
2. **Art Docent:** The Art Docent Program has been an important part of visual arts education in Rocklin schools for over eighteen years. Adults (parents, grandparents, and friends) who wish to volunteer their time are provided training in September for the grade level they have requested to teach. They present an art lesson once every three weeks in which six to ten works of art are shared, along with a discussion of artist's lives, art forms, and techniques. The students often get a "hands-on" chance to create their own masterpieces. Being an Art Docent is a very rewarding way to share in your child's classroom experiences. You need not have any previous art or teaching experience, just enthusiasm and a passion for art!
3. **Instrumental Music:** Instruction in wind/percussion instruments begins in grade 5, two days per week.
4. **Gifted and Talented Education – GATE:** (Reference Board Policy/Administrative Regulation 6172) The Rocklin Unified School District is dedicated to providing the structure, support, training and resources necessary to ensure that students receive the highest quality education to become happy, healthy, productive members of society. As part of a comprehensive array of educational programs and resources, the Rocklin GATE program assists students in developing their unique skills and abilities. The goal is to provide every student with numerous opportunities for extended learning in the regular classroom and at all grade levels.

If you wish to refer your student to the GATE Program, please submit a *Request for Student to be Tested for GATE* form which can be obtained from the school office or the GATE page of the RUSD website. Screening may be initiated at the Grade 1 level. If a student is referred earlier, information will be gathered to support identification at a later time. Screening sessions are typically held in the fall for Grades 2-12 and in the winter for Grade 1. Make-up tests for all grade levels are held in the early spring. After your request form has been received, you will be notified of the next screening date. Please contact Jordan White, 630-3307 for more information on this process or if you are interested in joining the GATE Advisory Committee. The GATE Advisory Committee coordinates/sponsors a number of activities including *Odyssey of the Mind* and *Academic Talent Search*.

Every elementary school has a GATE program. Self-contained classrooms for GATE students in grades 2 through 6 are located at Rocklin Elementary School. All other elementary schools have programs within the general education classrooms.

5. **Physical Education:** Physical education is vital to the long-term health and well being of our students. It greatly contributes to the development of physically, mentally, socially, and academically balanced individuals.

Physical education is not interchangeable with recess. It is a sequentially taught, developmentally appropriate program which addresses areas such as body mechanics, social interactions, establishment of personal goals, good sportsmanship, safety, and enjoyment.

A quality physical education program at the elementary school level is essential for the introduction and development of movement skills necessary for successful participation in sport and fitness activities through teen and adult years. Eighty (80) minutes per week of specialized P.E. instruction is provided each student in grades one through six. Another 20 minutes of instruction is provided by the classroom teacher.

6. **School Sponsored Trips** (Reference Board Policy/Administrative Regulation 6153)

Minor Field Trip (Requests will be considered and approved or denied by administrative personnel)

- Travel of students to an activity within 150 air miles from Placer County, inside the states of California or Nevada.

Major Field Trip (Requests will be considered and approved or denied by the Board of Trustees)

- Travel of students to an activity located more than 150 air miles from Placer County.
- Travel of students to any location outside the continental United States.
- All overnight field trips regardless of the location/mileage.

Co-curricular Field Trips are defined as activities that may be associated with the curriculum in a regular classroom. These are outgrowths of classroom activities and serve as valuable supplements to the regular classroom program. They are designed to encourage and/or reinforce classroom instruction and may be funded by the district. Class trips involving short distances by bus or walking are encouraged, whereas trips involving many miles of travel are discouraged.

Extracurricular Field Trips are activities which include, but are not limited to, athletic events, cheerleading, and the variety of events sponsored by school clubs and organizations as approved in writing by the principal. These activities provide students with opportunities to participate in educational, social, and intellectual development of the students.

Students must have written parental permission in order to participate in trips requiring transportation (Education Code 35350). The district shall provide an alternative educational experience for students whose parents/guardians do not wish them to participate in a trip. Students who do not have written permission may not be allowed to participate in a particular field trip. Only students who are members of the class may attend the field trip activity.

All chaperones going on field trips must be fingerprinted (forms are available in school offices; school staff will provide instructions).

Parents who wish to accompany their own student on a field trip and are not a chaperone may do so. However, their student will be assigned to a group and a chaperone, and that parent will need to "buddy-up" with the chaperone assigned to their student. Parents who are not serving as chaperones will need to provide their own transportation on field trips.

Birthdays – To avoid classroom disruptions, please do not deliver balloons, presents, etc., to students.

Books and Materials - Each student is issued a set of books and math tools at the beginning of the school year. It is recommended that books be covered with book covers. Students are expected to care for the books and materials and return them in June in a similar condition. Student will be charged for excess wear and tear on materials, or lost books and math tools. Report cards will be withheld pending payment.

Library Book Damage or Loss - Students are expected to pay for excessive damage to library books or for the loss of books. The cost will be determined by the current replacement cost of the book(s). Personal Property - All students should mark personal belongings with first and last name before articles are brought to school. This includes lunch boxes, backpacks, coats, sweaters, umbrellas, gloves, binders, etc.

Valuables, expensive items, radios, iPods, iPads, eReaders, CD players, and other electronic items other than cell phones (see specifics about cell phones on page 20 should be kept at home and are also **not allowed on field trips**. All toys, including playground equipment such as basketballs, baseballs, bats, and gloves, etc. should be left at home. An item can be specifically approved to be at school by the teacher, but the school or district is not responsible for loss or damage to personal items. If an item is brought to school without permission, it will be confiscated and returned only to the parent.

Student Dress and Appearance (Reference Board Policy 5132) - The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process. The major responsibility for dress and grooming is placed upon the student and the student's parents. The administration reserves the right to decide the appropriateness of the student's attire. Inappropriately dressed students will be expected to change clothing. The following guidelines are intended to define appropriate student attire and personal grooming and shall apply to all regular school activities:

Textbook and Library Book Refund Information - Any student, who pays for a lost textbook, a lost library book, or other school material and later finds the item, may return it to the school for a refund until September 30 of the following school year, as long as the item is in acceptable condition and is still being used by the school.

STUDENT CONDUCT

Breen staff works together to provide consistent, reasonable, child-centered approaches to discipline issues which arise during the course of the day. Our mutual goal is to empower students to effectively and acceptably resolve problems and disputes which may arise during their interactions with others. It is our hope that students will assess their options and make choices which will allow themselves and others to function civilly, peacefully, and compatibly in the setting. The following steps are usually employed in disciplinary actions:

1. Behaviors are addressed in the settings where they take place with the students who are involved insofar as possible. Some situations may be referred to the principal either initially, or subsequently, depending on the particular circumstances.
2. Supervising adults attempt to find out the “whole” story from the students directly involved.
3. Students are asked what other behaviors could have been used to accomplish their purposes in a more positive manner.
4. Students and adults work together to identify acceptable, alternative actions.
5. Students are also asked to consider how they would feel if they were the recipient of the behaviors and to communicate their feelings to the other student.
6. They are encouraged to “repair” the situation through an apology or other actions.
7. Additional consequences are given depending on the particulars of the situation. Guidelines for the consequences follow the 4 R’s... related to the situation, respectful of the individual, consequences reside with the responsible student, and the consequence is reasonable.
8. Situations involving the safety of students or staff, disruption of the learning environment, or destruction of facilities, etc., may result in suspension from school for one or more days. We have implemented a behavior referral/communication program for first through sixth grades. The goals of this discipline system are to:

Establish clear, defined consequences for continued inappropriate behavior outside the classroom.
 Encourage students to make positive behavior choices in order to preserve the safety of themselves and others.
 Establish a consistent way to communicate inappropriate behavior of students to their teacher, parents, and administration.

Citations are in triplicate:

 Yellow copy to child’s teacher

Pink copy to child's parent (this must be signed by student's parent/guardian and returned to their teacher the following day)

Citations will be issued as follows:

Level 1 Citation

1. Is considered a warning.
2. Students may receive two level 1's without a consequence.
3. A third level 1 will result in a detention. (3 level 1's = 1 detention)
4. Each citation given thereafter will result in another detention.
5. Slate is wiped clean at the beginning of each trimester.

Level 2 Citation - Office Referral

Any Level 2 citation will result in an automatic detention.

Double Detention Assigned.

1. If a student misses their detention (except for illness).
 2. If a student does not return the pink copy with their parent's signature.
- Detentions will be served during lunch recess, the day following the infraction.

Behavior Expectations

Students are held accountable for their behavior. The expectations listed below are the foundation for our conduct guidelines:

1. A student is responsible for his/her actions and behavior.
2. A student is expected to conduct him/herself in a manner which will not bring harm to him/herself, to others, or to property, either public or private.
3. A student is expected to conduct him/herself in a manner which reflects concern for the rights and respect of others.

These duties shall not include assignment of grades to students (Education Code 45343, 45344, 45349) (cf. 4222 - Teacher Aides/Paraprofessionals), (cf. 5148 – Child Care and Development), (cf. 5148.2 – Before/After School Programs).

Volunteers may supervise students during lunch, breakfast, or other nutritional periods or may serve as nonteaching aides under the immediate supervision and direction of certificated personnel to perform noninstructional work which assists certificated personnel in the performance of teaching and administrative responsibilities (Education Code 35021, 44814, 44815).

Volunteers may work on short-term facilities projects pursuant to Board policy and the section below entitled "Volunteer Facilities Projects."

2. SCHOOL VISITOR REGISTRATION (Board Policy/Administrative Regulation 1250)

Parent/Guardian: Each parent/guardian desiring to schedule a parent/teacher conference is required under normal circumstances to give a 24 hour notice and report to an area designated by the school principal to sign a register before meeting with the teacher for such conference. A parent/guardian wanting to visit the classroom or view his/her student's participation in a presentation, demonstration, or performance is required to report to a designated area and register

before attending the above mentioned activity. In either case, if the request is approved, the visitor will be announced to the teacher by the office personnel, and the visitation will be coordinated by a school representative. When a parent/guardian comes to the school to attend a prescheduled conference, e.g., week of parent/conferences, such meeting/conference is not considered a school visitation and the parent/guardian is not required to register. The Superintendent or designees shall post at every entrance to each school and school grounds a notice setting forth visitor registration requirements, hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements. (Penal Code 627.6) Unless otherwise directed by the principal or designee, a staff member shall accompany visitors while they are on school grounds.

Any person other than the following is considered a visitor and required to register upon entering school premises during school hours: (Penal Code 627.1, 627.2, Evidence Code 1070)

- A student of the school, unless currently under suspension.
- A Governing Board Member or District employee who is required to be on school grounds, or any authorized person who is on school grounds at the district's/school's request. Board members who visit schools of their own volition have no more authority than any other citizen. Board members have authority only in regularly called meetings of the Board, or when delegated specific tasks by Board actions.

REGISTRATION PROCEDURE

In order to register, visitors shall, upon request, furnish the principal or designee with the following information: (Penal Code 627.3)

DENIAL OF REGISTRATION

The following provisions of law shall apply to visitors:

- The principal or designee may refuse to register any visitor if he/she reasonably concludes that the visitor's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. The principal or designee or school security officer may revoke a visitor's registration if he/she has a reasonable basis for concluding that the visitor's presence on school grounds would interfere or is interfering with the peaceful conduct of school activities or would disrupt or is disrupting the school, students or staff. (Penal Code 627.4)
- The principal or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds and not return within 48 hours (Ed.Code 32211). When a visitor is directed to leave, the principal or designee shall inform the visitor that if he/she reenters the school within seven (7) days, he/she will be guilty of a misdemeanor subject to a fine and/or imprisonment. (Penal Code 627.7)

APPEAL PROCEDURE

Any person who is denied registration or whose registration is revoked may appeal to the Superintendent or designee by submitting within five (5) days a District complaint form and by following the District's complaint procedure (Administrative Policy 1312). The final segment in the appeal process is for the Board of Trustees to consider the appeal.
