

Robotics and STEM enrichment for young minds

LEGO® ROBOTICS CLASSES 2017-18

Location: Breen Elementary School

Class Room: Library

Lego® Robotics: BattleBots

Let your little engineers work on big ideas! Build a catapult and program it to launch every few minutes, construct a cross bow and learn the physics concepts of force and tension, attach a tilt sensor to your fighter plane and program it to automatically speed up and slow down. Possibilities are endless with our LEGO® elements. Our experienced instructors will guide your children through various projects.

IntelliBricks will provide all LEGO® and touch screen computers for the camp. Children cannot take home any of their creations or LEGO® products. LEGO® group of companies does not sponsor, authorize or endorse any of our programs.
